STIPULATION RELATING TO EXTENSION OF DEADLINE

The parties, through undersigned counsel, hereby stipulate to the following deadline:

1. Under the Court's January 23, 2008 Minutes of Proceedings, the parties were to submit a stipulation outlining their agreement regarding the production of documents in native format by February 4, 2008.

2. The United States, an interested third party to these proceedings, is still in the process of formulating proposed protocols for addressing issues relating to electronically stored information. The government expects to forward its proposed protocols to counsel for the parties by no later than February 8, 2008.

1 3. Because the United States requires additional time to formulate its proposed protocols
2 and, in the interests of allowing sufficient time to discuss the proposed protocols with the parties
3 in order to determine the extent to which an agreement may be reached, more time is needed for
4 submission of a stipulation or other positions regarding the production of documents in native
5 format.

6 4. The parties stipulate to extend the February 4 deadline to February 15, 2008.

7 **IT IS SO STIPULATED.**
